

# DirecTV Remote+

## Can I control the Genie and CLIENT devices?

The Genie (HR34/HR44) is similar to the H2x and HR2x series of receivers and is/has been supported in all of my DirecTV Remote+ apps & add-ons.

Support for the Genie **client** devices has been added to the main remote app and add-ons/plugin-ins as of 3/10/13.
